50 ways to make your home cozy for fall

Sometimes all it takes is a moment outside to make things better. A 2010 study published in the Journal of Environmental Psychology showed that spending just 20 minutes a day surrounded by nature increased people's vitality levels. And Candra Canning, founder of Live Bright Now, says even just a one-minute nature break can help. "Slow down on your way out the door in the morning, or take a ...
