Finally, another way to place a lifeline is when you use interchangeable needles; there is a tiny hole for tightening the knitting needle tip to the cable. You can thread your lifeline in the hole and just knit. As you knit across the row the lifeline will follow your yarn and go through every stitch.

A Life in Stitches: Knitting My Way through Love, Loss ...

A lifeline is just that, a security net much like the net underneath a circus trapeze. It is piece of waste yarn that it threaded onto a row to hold the stitches. If for any reason you need to undo your work, you can always go back to your last lifeline, pick up the stitches and continue your work from that point on. I am often asked...

3 ways to put a lifeline. | EK Home - Knitting patterns

Knitting every stitch of every row is the best way to get the knit stitch down before learning how to purl. Many new knitters start with a garter stitch scarf , but you could also knit a washcloth, hot pad, or anything else in this simple stitch to get your needles working.

Rachael Herron has always had a knitting project close at hand, as she learned that knitting is more than just a process of making objects ... knitting can be a way of measuring a life by the stitches made.

A life in stitches : knitting my way through love, loss ...

Knitting has a couple of basic stitches— knit and purl —that are easy to master. But beyond those two, there are many more techniques available to learn. Advanced approaches, particularly the more decorative stitches like the Chevron Lace, require knowledge of “increases and decreases,” as well as knitting two stitches together.
