America (1940) was officially laid down on 22 August 1938. She would be built at the Newport News Shipbuilding and Dry Dock Co. in Newport News, Virginia. Exactly two years later, on 22 August 1940, America completed her unusual maiden voyage. Sailing into a world already engulfed in war, America's maiden voyage was possibly the strangest of any 20th century ocean liner.

America the Unusual - Ocean Liners Magazine

"America the Unusual by John Kingdon explores the uniqueness of the American system of government and how it acquired its distinctiveness. Kingdon argues that America is fundamentally different from other industrialized countries and surveys diverse perspectives on American development in an effort to explain why America is so distinct.

America the unusual (Book, 1999) [WorldCat.org]

America the Unusual, by John Kingdon, is a series of observations and discussions as to the unique nature of American politics and government. America is considered "The Land of Opportunity" by many - but what makes it different from other countries? How does it provide more opportunity than other systems of government or politics?

Free Essay: America the Unusual

America The Unusual by John W Kingdon. The government of the United States of America is very unique. While many Americans complain about high taxes and Big Brother keeping too close an eye, the truth is that American government, compared to most foreign democracies, is very limited in power and scope. One area American government differs greatly from others is its scope of public policy.
