Behind the Mask is the fifteenth studio album by British-American rock band Fleetwood Mac, released on 9 April 1990.It was the first album released by the band after the departure of guitarist Lindsey Buckingham.He was replaced by Billy Burnette and Rick Vito, both guitar players, singers and songwriters.Fleetwood Mac thus became a six-piece band with four singer/songwriters.

### Behind the Mask (album) - Wikipedia

This is the feeling that creates the mask: the belief that another person can't handle the full weight of-your self, anger and-all. It is no accident that dream interpretation, bodywork, yoga and meditation hold so much appeal for people who are struggling to feel real, to come out from behind the mask.
