Lenin and Philosophy and Other Essays by Althusser Louis ...

Lenin and Philosophy and Other Essays. No figure among the western Marxist theoreticians has loomed larger in the postwar period than Louis Althusser. A rebel against the Catholic tradition in which he was raised, Althusser studied philosophy and later joined both the faculty of the Ecole normale supérieure and the French Communist Party in 1948. Viewed as a "structuralist Marxist," Althusser was as much admired for his independence of intellect as he was for his rigorous defense of Marx.
