Proton Exora Manual Review - modapktown.com

There's some initial sluggishness off the line, but from there the Proton Exora picks up sufficient people-transporting pace and the transmission helps make that acceleration a smooth affair.

Proton Exora Review | CarAdvice

Proton Exora is one of the most affordable seven-seater options that one can find in the Malaysian market, the major reason behind my purchase of this vehicle. The best part of Proton Exora is its exterior design, although some might find it to be boring, for me, it is very sober and sophisticated.
