Good guide. Thanks for posting. I just purchased the Nostromo and Naga Epic last week and I've been messing around with a few different configurations. I tried using the stick for movement and had a hard time with it for some reason. So i just use it for abilities. Which ability varies by the character I'm playing.

The Nostromo is designed to work on flat surfaces, so if it's used on round surfaces like a chair arm it might slip some, but it's still manageable and mostly comfortable. The other bad part is the D-pad: it needs to be a thumbstick-type instead! The D-pad doesn't give me full control over movement, which sometimes impedes gameplay.
