### Read 226 New Technologies For

Okay, I've got an older 226 (with .22 conversion that I want to keep and use on a new 226) and a 229E2 that's my bedside gun. I'd be interested in selling/trading both of those plus, if needed, another 9 for a new 226. My question is, which one? This would be for range use (I'll replace my bedside battery with a Walther P99cAS or Beretta PX4c).

### 15 Examples Of New Technology In Education

If technologies are to support aging in place, then it is important to develop fundamental knowledge on what causes stability and changes in the use of technologies by seniors. However, longitudinal studies on the long-term use of technologies that have been accepted into the home (i.e., post-implementation use) are very scarce. Many factors potentially could influence post-implementation use ...
