Engineering Faculty Jobs - HigherEdJobs

Precision is paramount when it comes to engineering projects, and the same holds true for engineering resumes. Failing to proofread and correct all errors on the resume is a common mistake engineers make, according to Daniel Mullin, VP at Carroll Engineering, one of the largest consulting engineering firms in the greater Philadelphia area.

Resume Tips for Engineers | Monster.com

Consider the format. You may find that different formats are more appropriate depending on the position you are applying for (or your work history). Keep an open mind, and don't be afraid to try a more updated look for your resume. As long as you include all the relevant information, sometimes a different look can be what makes you stand out from the rest of the applicants.

Teacher Resume Examples and Writing Tips

A few ways on how you can provide the details of your certification in the Engineering resume that you will use include the following: List your certifications in a chronological order with the most current certification on top of the list.
