The Kremlin And The High

The Kremlin and the High Command provides the most complete analysis to date of the Russian president's influence on the Russian officer corps, the soldiers they lead, and their army's combat readiness. Shedding light on the chaos that has plagued the USSR and Russia over the past 25 years, it also suggests how the often fraught relationship between the president and the high command must evolve if the Russian Federation is to evolve into a truly democratic nation.

The Kremlin and the High Command

The Kremlin and the High Command provides the most complete analysis to date of the Russian president's influence on the Russian officer corps, the soldiers they lead, and their army's combat readiness. Shedding light on the chaos that has plagued the USSR and Russia over the past 25 years, it also suggests how the often fraught relationship between the president and the high command must evolve if the Russian Federation is to evolve into a truly democratic nation.
