### Amazon.com: The Last Firewall (Singularity Series Book 3 ...

'Singularity' refers to a hypothetical point in the future when artificial intelligence will surpass human intelligence. The Last Firewall is the third book in the Singularity series by independent author, William Hertling, and takes place in a post-singularity world. I have not read the first two books, but did not feel that that kept me from enjoying this book.

### The Last Firewall (Singularity #3) by William Hertling

"The Last Firewall" is the third and presumably last book in William Hertling's "Singularity" series of near-time futuristic novels. The time is approximately seven to ten years after the conclusion of "A.I. Apocalypse", approximately 35 to 45 years in the future from the events of the first book, "Avogadro Corp.:

### Amazon.com: Customer reviews: The Last Firewall ...

The Last Firewall (Singularity #3) by William Hertling (2013) 323 pages @@@ (3 out of 5) In each of the first three novels in Hertling's series, one exceptional human being holds center stage. Computer scientist Mike Williams achieves artificial general intelligence —by accident—in Avogadro Corp.

### A grim view of life after the singularity | Mal Warwick ...

The Last Firewall continues the Singularity series with an action packed and cerebral third volume. I love the way the characters have aged from the first book to the third with new characters added in as the story continues. I was a little upset that the original A.I., ELOPE, is not involved in this story. But the overall adventure continues.
