Yes, Women Who Love
Too Much is the
quintessential self-help
book. It fits every
stereotype given to
this genre. That being
written, I read this at a
time when I needed
the help and to
understand
relationships. It was
after a particularly
devastating
relationship and I was
in a dark place.

Norwood describes loving too much as a pattern of thoughts and behavior, which certain women develop as a response to problems from childhood. Many women find themselves repeatedly drawn into unhappy and destructive relationships with men. They then struggle to make these doomed relationships work.
