It protects employees from loss of wages in case of on-the-job injury; and it can also protect employers from potentially debilitating lawsuits. Most states require companies to carry workers' comp, and state laws dictate the details of policies. Agents who sell workers' compensation insurance must understand workers' compensation as a whole—as well as the laws affecting it in their state.

Texas- Workers Compensation Made Simple | FastrackCE

Workers' compensation or workers' comp is a form of insurance providing wage replacement and medical benefits to employees injured in the course of employment in exchange for mandatory relinquishment of the employee's right to sue his or her employer for the tort of negligence. The trade-off between assured, limited coverage and lack of recourse outside the worker compensation system is known as "the compensation bargain". One of the problems that the compensation bargain solved is the problem o
