You Are Here Exposing The

If you have not read anything on the topic then you may find this book informative--I found it redundant and simplistic. Here are some examples to justify the latter comment: Page 174: "I'd swap a burger for a salad every once in a while. This is how water-saving actions here affect people, places, and things "there.""

You Are Here: Exposing the Vital Link Between What We Do ...

YOU ARE HERE takes us to the hidden frontlines of the war over natural resources and reveals how each of us can improve our planet without leaving home. A passionate and heartfelt call to care. Bruce Feiler

You Are Here: Exposing the Vital Link Between What We Do ...

"You Are Here" by Thomas M. Kostigen is a global tour of man's impact on the environment from global warming to the problem of waste. The book is wide in scope and easy to read, but doesn't present anything new in terms of solutions (recycle, take public transportation, reduce water use, etc.).
